# **“Making It Better” Folk Arts in Pennsylvania Today**

**This exhibition illuminates multiple voices and perspectives on how traditional arts function in and shape today’s communities in Pennsylvania.**

**With educational outreach especially targeting adult learner populations, this exhibition is poised to reach underserved and new audiences.**

**Artists and artforms have been chosen for their excellence and to reflect the diversity of communities in the Commonwealth; ethnically, geographically, spiritually, occupationally, as well as generational diversity.**

**Call 717-238-1770 for more information about the exhibition or artists, as well as hosting opportunities.**
